Central High School

NORTH MANCHESTER,
INDIANA

Foreword

As every nation must have a governing body so must we at Central have a strong governing body.

For the past 34 years Central has built many strong citizens. It has given to each student a way of living guidance, and a helping hand.

The building itself is just a symbol of all that takes place within . . . classes . . . parties . . . programs, concerts . . . projects.

The secrets of the joys and sorrows of 34 years lie hidden within her halls.

The Senior Class of 1957 is proud to introduce you to Johnny Q. Citizen who will show you through "Our Little America," the 1957 En Em.

SENATORS

SENIORS . . . . .

Farewell Central! We leave with you the echoes of our boisterous laughter, the shuffle of our shoes and the ring of our chatter.

Remember all the fun we had?

Entering your broad doors in the fall of 1951, we tumbled pellmell into the busy life of Jr. High. A little shy at first, we soon became ardent supporters of all Central's activities.

We'll never forget our Freshman year. All the "greeny" girls were officially initiated into Sunshine by their Senior "big sisters." Dressed in clothes of the roaring twenties, they humbly bowed before all the Seniors.

In our sophomore year we tackled our first fund raising project, the Sophomore-Junior pancake supper! It was a lot of fun! We beat the Juniors which gave us a good start for the following year.

Juniors! At last those envied Juniors! Our Junior Carnival was a huge success, breaking all previous records!

At every home ballgame we peddled our pop, popcorn, peanuts and candy that no ballgame is complete without.

In the spring we sponsored "An Evening In Paris," the Junior dance.

The climax of this big year was the all night party sponsored by the service clubs of North Manchester. Starting off with a big banquet and we enjoyed a hypnotist's show, danced, saw a movie, and finished the night's affairs with breakfast.

Now our Senior year is over. Highlighted with magazine sales, working on the annual, and our Senior Play, it has left us with many fond memories.

None of us will ever forget that wonderful trip to New York and Washington. Chinatown, the Empire State Building, the waterfront!

After Baccalaureate, that glorious hour of Commencement arrived.

Now with a tear which we bravely blink away, we close the door of six wonderful years at Central and look out to the future, enriched with fond memories.

The Girls' Athletic Association has four outstanding purposes: to inspire higher ideals for high school girls, to stimulate participation in girls' athletics, to stimulate a higher understanding of girls' athletics, to train girls for active citizenship through sportsmanship.

Participating in the bowling league, team tourneys, swimming parties and other similar activities builds these principles into the high school girls' personalities.

VARSITY

The last basketball team of Central High School Trojans compiled a victorious season after a long, hard schedule of larger schools.

The mighty Trojans blazed off the season with four straight victories before being defeated in a hard-fought game with Wabash. Fighting on, the hot-shooting Centralites notched victories against Rochester, Chester, Huntington Twp., Laketon, Pierceton, and Akron. The smaller Trojans lost some well-played games to taller Warsaw and Nappanee.

Central closed out its regular season with a resounding victory over Mentone, a Kosciousko County power, before bowing to Urbana in the sectional.

Retiring seniors are Rich Roberts, Joe Clark, John Holl, Roger Dilling, Bob Floyd, Bill Strickler, and Jim Eubank.

"OLD DOC"

The lights were dimmed, the auditorium was silent, the curtain rose on another Senior Play. Two nights in a row, the Senior Class of 1956 brought tears of joy and sorrow into the eyes and hearts of the audience, as it unraveled the heartwarming story of "Old Doc." The cast and its director, Miss Noffsinger, worked very hard to give this top notch performance.
